For: DOUBLE-LAYERED POSITIVELY-CHARGED ORGANIC PHOTORECEPTOR

COMMUNICATION TO THE EXAMINER RE CORRECTION OF INITIALING OF FORM PTO-1449

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

An Information Disclosure Statement with Form PTO-1449 was filed on November 17, 2004. Applicants have received a copy of the November 17, 2004 IDS PTO-1449 Form in which the Examiner initialed line AG. However, the Examiner apparently inadvertently forgot to initial line AM showing that the Examiner has considered the documents cited therein. Apparently, this was simply an inadvertent oversight. It appears as though Applicant inadvertently listed the Office Action as "Japanese." This has been corrected to recite "Korean." The Examiner is requested to initial next to the citation of reference AM as well as line AG on the November 17, 2004 IDS PTO-1449 Form, sign the form and return a copy of same to the undersigned. For the Examiner's convenience, an additional copy of the IDS PTO-1449 Form filed on November 17, 2004 for the above-cited matter is attached to this Communication.

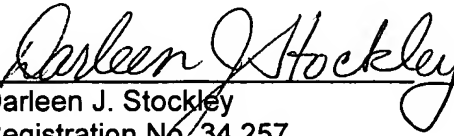

In the alternative, if it is needed to correct this matter, please issue a Supplemental Notice of Allowance.

If there are any questions regarding this Communication, such questions can be addressed to the undersigned by telephone.

Respectfully submitted,

STAAS & HALSEY LLP
